

Truth and Quality

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing. Accordingly, it is not claimed that Syrup of Figs and Elixir of Senna is the only remedy of known value, but one of many reasons why it is the best of personal and family laxatives is the fact that it cleanses, sweetens and relieves the internal organs on which it acts without any debilitating effects and without having to increase the quantity from time to time.

It acts pleasantly and naturally and truly as a laxative, and its component parts are known to and approved by physicians, as it is free from all objectionable substances. To get its beneficial effects always purchase the genuine—manufactured by the California Fig Syrup Co., only, and for sale by all leading druggists.

This is an exact representation of the carton containing a bottle of St. Joseph's Liquid Liver Regulator, but it is much larger than this illustration, and printed in black ink on a yellow carton. Druggists and general merchants sell it at 50 cents a bottle, or you can get it direct from us at the same price. This is a delightful liver and bile-purifier, effective, and exceeding in pleasant to the taste. Try just one bottle to satisfy yourself—and you'll buy more.

Colored People

Rev. S. G. Baker - Editor

The trustees of the Bethlehem Baptist church, of this city have purchased some very desirable property upon which they will erect their edifice in the near future. The deed was presented to the church at a meeting recently held.

Mr. and Mrs. T. L. Wimbley, Misses Lena Burney and Amy Wilson made a flying trip to Orange City last Saturday night.

The Rev. D. A. Perrin held his first quarterly conference at Bethel church last Sunday. The reports were good, and showed that all departments of the church are alive and progressive. About \$150.00 has been raised since March 1st.

Despite the bad weather, a good sized audience attended the services at Bethlehem church last Sunday evening and listened to a very able sermon delivered by the Rev. J. A. Davis.

The annual services held by the Heroines of Jericho at the Union Baptist church last Sunday were well attended and hugely enjoyed by the large audience who attended them. Very good papers were read by Mesdams Monroe and F. B. Baker, and a lovely address was delivered by Mrs. Mary Smith. The sermon was delivered by the Rev. S. G. Baker.

At the above services the widows of the late F. P. Dixon and Jacob Golden were paid their death claims. Mrs. Dixon received \$200. and Mrs. Nancy Golden \$100.

Mrs. Nellie Johnson, who has been spending some time with her relatives at Osteen, has returned home.

Mrs. M. A. Spear and Mrs. Mary Thompson deserve much credit for the very able manner in which they conducted the "Palm Sunday" services last Sunday.

Messrs S. Simons, B. Hammond and wife, D. Harris and wife were among the visitors who attended services in our city last Sunday.

Those persons who subscribed to the fund for the extension of the city public school are urgently requested to pay in their subscription, as the teachers have done their part and wish that the subscribers do theirs.

Mrs. Nettie Bryant, the sister of Moses Presha, gave a very lovely birthday party at the home of her brother last week, at which the following program was rendered:

Solo, Wm. Dixon; solo, M. W. Wells. Music was furnished by the Jackson Brothers and Lucius Presha. Refreshments were served in abundance and the occasion was voted to have been the most enjoyable one of the season.

Mr. Jesse Brown and Mrs. Rose Eby were united in wedlock by the Rev. G. S. Crawford, in the presence of a host of their friends, last Monday night.

A series of meetings is being held at the Union church this week and it is hoped that all the members and friends will attend.

The Rev. J. W. Fleming and Lee Powell will assist in the rally next Sunday.

Mr. Wm. Haynes and Miss Annie Kilpatrick were united in wedlock last Saturday night by the Rev. G. S. Crawford.

The Primitive Baptist Sunday School Convention will meet in our city next month, and the good people of our city are asked to open their doors and royally entertain the delegation.

Mr. W. A. Glover is in the city this week on Masonic business. He will confer the higher degrees of Masonry upon some of the men of our city.

Mrs. Ida V. Mosley of Orange City, wishes to kindly thank her many friends who so cheerfully assisted her in caring for her daughter, Esther, during her illness. She extends special thanks to the Revs. Crawford, Powell and Baker who spared no pains in rendering both spiritual and financial aid to her daughter.

The readers of this department are advised to take notice that the stores will close at 6 o'clock every day except Saturdays, when they will close at ten.

The second anniversary of the corner stone laying of the new Bethel church will be celebrated next Sunday, and a cordial invitation is extended to one and all. Some of the most prominent ministers of the state are expected to be

present, and a spiritual feast is expected.

Miss Annie Bell, Tavares, has opened a private school in Yemassee, and she seems to be meeting with success. She deserves the support and encouragement of the good people of that community.

HASTINGS POTATO CROP.

The first piece of land ever bought in the Hastings region for gardening purposes was sold to U. J. White, says one who has long been a resident of Florida. He was the brother of "Deacon" S. V. White, both of whom many of the older Floridians remember so well. This U. J. White was assured by a number of Floridians of the day that they would not pay taxes on such land as that. But he was a New England farmer of experience and told them to come around and see what that soil would do when it was well-drained and well-worked. When his first crop was growing, some who called to inspect it were surprised to find it looking green and fresh, whereas crops elsewhere in the state were drying up in the drought then prevailing. He had dug drains, and when the land was dry enough had had it plowed deeply and then some more, then harrowed. The soil was deep and fine. The first crop exceeded all expectations. Then others came in feeling encouraged to buy and follow his example. The potato crop of the Hastings region, it is estimated, will be from 150,000 to 175,000 barrels this year, bringing a net price of \$3.50 a barrel, or from \$525,000 to \$712,500 net in the aggregate. The Grocery World says new Florida potatoes were bringing from \$3 to \$7 a barrel wholesale in New York and Philadelphia, last week.—Times Union.

HOW DO YOU FEEL?

Do you experience a sense of weariness in excess of the natural tiredness justified by your labor? Do you lack natural ambition, and have spells of despondency, with dark forebodings of the future? Do you worry about really unimportant matters, and feel cross and fretful at times? St. Joseph's Liver Regulator is what you need, either liquid or powders, as you prefer. It will better your condition. The liquid sells at 25 cents a bottle, powders 22 cents a box by druggists and general merchants.

A STARTLING STATEMENT

NEW YORK MEDICAL AUTHORITIES CLAIM DYSPESPIA CAUSES CONSUMPTION.

The past modern statistics of the big New York hospitals show that some cases of consumption are due to unchecked dyspepsia, especially when the victim was predisposed to tuberculosis.

Dyspepsia wears out the body and brain, the weakened, irritable stomach is unable to digest food, the body does not receive the required nourishment, constipation ensues and the victim becomes thin, weak and haggard. As a result, the body becomes a fertile field for the germs of disease to lodge and flourish.

Therefore, the person who permits dyspepsia to progress unhindered is guilty of contributing toward the development of one of the most insidious and fatal diseases known to mankind.

Dyspepsia is curable if properly treated. G. W. Fisher, druggist, sells a remedy which they positively guarantee will cure indigestion or dyspepsia or they will pay for all the medicine used during the trial. This remedy is an absolutely new medical discovery and has been named Rexall Dyspepsia Tablets. Certainly no offer could be more fair, and the offer of G. W. Fisher, druggist is proof positive that Rexall Dyspepsia Tablets are a dependable and infallible remedy. Inasmuch as the medicine will cost you nothing if it does not benefit you we urge you who are suffering with indigestion or dyspepsia to try this remedy. A twenty-five cent box of Rexall Dyspepsia Tablets contain enough medicine for fifteen days' treatment. Remember Rexall Dyspepsia Tablets are only sold in Deland by G. W. Fisher, Druggist.

THE BEDROCK OF SUCCESS lies in a keen, clear brain, backed by indomitable will and resistless energy. Such power comes from the splendid health that Dr. King's New Life Pills impart. They vitalize every organ and build up brain and body. J. A. Harmon, Lizenore, W. Va., writes: "They are the best pills I ever used." 25c. at all druggists.
